

Apple Cream Pie

Pie pastry for unbaked 9-inch shell and lattice topping

- 5 cups sliced apples (or enough for 1 pie)
- $\frac{3}{4}$ cup sugar
- 2 tablespoons flour
- 1 teaspoon cinnamon
- $\frac{1}{4}$ cup milk
- 1 teaspoon butter

Line unbaked pie shell with apple slices. Mix sugar, flour, cinnamon and milk and pour over apples. Form lattice crust over filling and dot with butter in openings. Bake in hot oven (450 degrees F.) about 35 minutes.
