 1 Cup SUGAR 1 Cup BOILING WATER  
 1 #2 CAN CRUSHED PINEAPPLE JUICE + RIND OF 1 LEMON  
 1 ANGEL FOOD CAKE 3 ENVELOPES OF DREAM WHIP  
 (USE ONE LGE + 1 SMALL COOL WHIP)

Soften gelatin in cold water - add boiling water and sugar - stir until dissolved - Add lemon + rind and 1 can of pineapple. Chill until almost set. Break cake into pieces - line bottom of pan - whip 2 packages of Dream Whip and mix with gelatin mixture - alternate with cake until all is used up. Chill over nite. Next morning prepare 1 envelope

Of dream whip according to directions  
Spread over top of chilled cake

Sprinkle with coconut or chopped nuts

~~of~~ Ann, I mix the cake and gelatin by  
hand in a large bowl and put it into  
the pans - It's easier that way. Especially  
if you are making two smaller pans

also the Cool Whip makes it easier.

I try all the short cuts.
